

Complete

I am the Left Brain.
I am a doctor of logic.
Specific
I categorize.
Decisive.
I am accurate.
Linear.
I use expertise.
Analytical.
I am familiar.
Strategic.
I am practical.
Realistic.
Always in control.
A master of words.
Prodigy of language.
I calculate equations.
Work with numbers.
I am order.
I am logic.
I am right.

I am the Right Brain.
I am the artist of emotion.
I move as a free spirit.
I bleed passion.
My learning never ceases.
I have feelings.
I'm a little all over the place.
I breathe in life.
I am trustful.
I am comfortable.
I am the music you can't stop hearing.
I am the laughter that you can't stop producing.
I am the smells you inhale and fall in love with.
I am forever moving.
I lust after the vivid colors.
I am the urge.
I create art.
I discover poetry.
I sense.
I feel.
I am not wrong.

We try, succeed, and fail in different ways, but we do it together.
We bicker and fight about who is always right, but we do it together.
We work tirelessly for different approaches, but we do it together.
We need each other because one without the other is useless.
Together we are complete.
